Mentelle Neighborhood :

The following petition is provided for requesting the Division of Traffic Engineering to study the feasibility of installing speed tables on Given Avenue between National Avenue and Aurora Avenue. The petition area includes all properties in the neighborhood bounded by National Ave. and Aurora Ave. (see enclosed exhibit as a reference). A total of 13 signatures out of 19 are needed to meet the 65% threshold in order to proceed with the study. **Only one signature can be applied to each property parcel.**

Once a successful petition is produced, then the Division of Traffic Engineering will proceed to schedule the street for data collection. The data will then be processed and checked against criteria. The criteria used by the Division of Traffic Engineering are provided in the *Neighborhood Traffic Management Manual*. A copy of the manual is included.

Please return the petition after it is completed to the following address:

Division of Traffic Engineering  
101 E. Vine Street, Suite 300  
Lexington, KY 40507-1470

Please look over this information and share it with your neighbors; feel free to call myself should you have questions.

Sincerely,

George M. Thornsbery, P.E.

## NTMP PETITION FORM

We the undersigned, as residents of Given Ave., hereby request the evaluation of the traffic problem(s) being identified as

---

We petition the LFUCG to begin the development of a Neighborhood Traffic Management project.

We understand that the LFUCG will, upon receipt of a petition that demonstrates the support of 65% of property owners/residents, analyze relevant conditions to determine the impact of the proposed action. The LFUCG must reserve the right to overrule the petition if there are extenuating circumstances detrimental to public safety, traffic operations, and/or neighborhood interests.

Please list all addresses in the petition area. One signature per property parcel permitted.
